AIU/SGO/2022

14th April, 2022

Dear Vice Chancellor/Director,

Greetings from AIU!

The Association of Indian Universities has collaborated with Symbiosis International (Deemed University) for a series of International Conferences on Internationalisation of Higher Education (IHE). Five Conferences have already been held and all the conferences were highly successful in generating valuable discussions amongst many vice chancellors, senior policymakers and academics from across India with national/international experts.

The Sixth Edition of the International Conferences on Internationalisation of Higher Education on the theme '*Interregional Cooperation for Effective Internationalisation of Higher Education*' is being held in a **virtual format** from **15th to 16th April, 2022**. This 2022 Virtual IHE Conference will focus on the inter-regional cooperation between countries and the importance of dialogue in advancing internationalisation in higher education. Through the sessions at IHE 2022, experts will discuss and deliberate about the interregional clusters and dynamics in sparking and advancing dialogues in higher education across regions and the role they will play in influencing and fostering a culture of collaboration in research, innovation and higher education.

The Conference on April 15 and 16, 2022 will encompass dialogues around South-South-North, East-East, West-West, West-East, India and its neighbors, ASEAN nations and UNESCO collaborations in higher education. This Conference is the first such interregional dialogue of its kind being held in India and promises to be a great learning opportunity.

The registration for SIU-AIU's conference is **now open**. **I request you to register and attend this Conference.**

Looking forward to virtually meeting you at the conference!

With warm regards,

Yours sincerely,

(Pankaj Mittal)

The Vice Chancellor / Director of AIU Member Universities/Institutions.
