AIU/SGO/2022
19th September, 2022

Dear Vice Chancellor / Director,

The National Education Policy (NEP) of India, released in 2020 endeavours to address the issue of providing quality education to students by improving access, flexibility, autonomy, the use of technology, innovation and research. Its objective is to make India a knowledge superpower by equipping its students with the necessary skills, attitude and knowledge.

The NEP 2020 is being implemented by all the stakeholders such as the Government of India, Regulatory Bodies and Higher Education Institutions. It is two years since the policy was launched and it is an apt time to find out the status of its implementation in universities and colleges. Association of Indian Universities in collaboration with Shiksha Sanskriti Uthan Nyas has developed a Survey Form to seek the status of implementation of NEP 2020 in Higher Education Institutions. A Google Form of Survey is available on the following link:

Survey on Implementation of NEP

You are requested to kindly complete the survey form by **10th October, 2022** to enable us to compile a status report on the implementation of NEP 2020.

It is proposed to compile the best practices being followed by HEIs which can be adopted by other HEIs for implementing the NEP 2020 in letter and spirit. You are, therefore, requested to kindly share a report on the best practices initiated by your institution on implementation of NEP in about 8-10 pages by email at sgoffice@aiu.ac.in

I need not re-emphasize the importance of this exercise as you are aware that implementation of NEP 2020 in letter and spirit is the key for making India “*Vishwaguru*” once again.

With warm regards,

Yours sincerely,

(Pankaj Mittal)

The Vice Chancellors/Directors of all AIU Member Universities/ Institutions.
