18 January 2024

Dear Secretary General,

I have the honour to inform you that the applications for Türkiye Scholarships 2024 Programme are open now and the applications could be submitted online via <http://www.turkiyeburslari.gov.tr> until 20 February 2024.

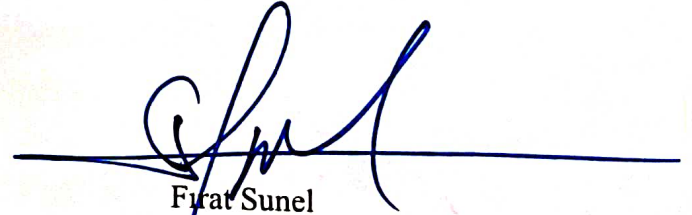

Within this competitive programme, scholarships are awarded to outstanding students to pursue full-time or short-term education at the top universities in Türkiye. The programme does not only provide financial support, but also ensures university placement for students in their intended programme of application. Owing to this feature, it differs from most of the other scholarship programmes in the world.

Details about the programme regarding eligibility, selection process and required documents for applications can be found at the said website.

I would greatly appreciate it if You could facilitate dissemination of the announcement of Türkiye Scholarships 2024 to the interested students of AIU Member Universities and/or Institutions.

We sincerely believe that cooperation in the field of higher education between Türkiye and India constitutes one of the main pillars of our bilateral relations and yet there are still untapped potential in that field. I am confident that this program could pave the way for further improving people-to-people and academic relations and function as a bridge of friendship between Türkiye and India.

Your Sincerely,

  
Firat Sunel

Dr. Pankaj Mittal  
Secretary General  
Association of Indian Universities  
AIU House, 110002, New Delhi
