Dear Sir/Madam,

The Technology has revolutionised the way the business processes are carried out and the Higher Education Institutions (HEIs) are no exception as technology is playing pivotal role in all spectrums of education ie governance of HEIs, transformative learning and teaching process, student services etc.

The Vice-Chancellors (VCs) are the principal academic and administrators of the Universities. The Vice-Chancellors provides direction, resources, oversight and support learning & securing appropriate resources to sustain technology initiatives for transforming universities for better. It is therefore imperative that Vice Chancellors are familiarised with the latest technology and its process of deployment for Universities Governance, Teaching-Learning process etc. In this regard, Roundtables are being jointly organised by AIU and CII where the subject matter experts of Microsoft shall share the information on:

- Governance of Indian Universities by leveraging IT Technologies
- Adoption of Cloud and AI-Technologies by universities for Improving the Teaching-Learning process and university administration/Student Services
- Leveraging Technology Tools for Hybrid Learning Experiences
- Skilling Students- Building Employability- Learning Pathways

AIU-CII are jointly conducting 04 Roundtables for the Vice Chancellors of the Indian Universities. The detailed schedule and the link for joining the Roundtables are given below.
